

PUBLIC NOTICE:

A Public Meeting will be held on Monday July 9, 2007 to present and receive feedback on the Oasis Riverfront Rail Transit alignment alternatives between the Montgomery Inn Boathouse area and the Riverfront Transit Center. This potential connection is the first segment of the proposed Oasis Rail Transit line that was identified in the Eastern Corridor Plan as the route for rail transit. The entire alignment is proposed to extend from downtown Cincinnati to Milford and was included in the Eastern Corridor Tier I Record of Decision (ROD). It will provide transit service connecting important employment and entertainment centers in Cincinnati with eastern neighborhoods and communities. The meeting will be an "open house" format held in Room 115, City Hall, 801 Plum Street, Cincinnati, between 4:00 p.m. and 7:00 p.m. No formal presentation will be made, and the public may visit at any time between the scheduled hours to view the exhibits and ask questions. Various alternatives will be presented for public review and comment. The meeting is being sponsored by the Hamilton County Transportation Improvement District (HCTID). For more information, please call the HCTID at (513) 946-8902.
