The Hamilton County Board of County Commissioners student will be required to pay their UC bill in full.
- 2. UC shall offer a discounted tuition rate of 10% off the published instructional fee rate for part-time or full-time students in an eligible online program ("Discounted Tuition Rate"). The published instructional fee rates vary by program and degree level and can be found on the Bursar's landing page on www.uc.edu. The Hamilton County Board of County Commissioners Students will be required to submit separate identification and paperwork as part of the enrollment process to verify employment eligibility in order for the Discounted Tuition Rate to be applicable. This discount only applies to eligible, online programs. Schedule A lists eligible programs.
- 3. Hamilton County Board of County Commissioners shall agree to offer this benefit to all eligible those Hamilton County Board of County Commissioners employees and their families within the company. Commissioners communications. Hamilton County Board of County Commissioners will allow UC to list Hamilton County Board of County Commissioners name and logo on its website in the context of this relationship. Neither party has the right to use the names, trademarks or other symbols of the other party unless provided for in this MOU or the parties obtain prior written consent.

- 4. This Discounted Tuition Rate cannot be combined with any other discounted tuition rate, including any corporate, national organization membership, or local organization membership discount. Individual scholarships awarded to a Hamilton County Board of County Commissioners Student may be combined with this Discounted Tuition Rate.
- 5. This MOU shall expire on 4/15/2027. Either party may terminate this MOU with 90 days' written notice. In the event any Hamilton County Board of County Commissioners Students are enrolled in UC online programs when a party gives notice of termination, the parties agree to work together to mutually notify the affected employees that their discount will cease at the end of the 90 days. If this notice is given mid-semester, UC will allow enrolled students to keep the discounted tuition through the end of that semester only.

IN WITNESS WHEREOF, each of the parties hereto has caused this MOU to be executed by its duly authorized officers or representatives.
