Carla's Story

Carla, aged 39, knew she had to overcome her heroin addiction if she was ever going to be able to care for her 2 children

She entered the Engagement Center where she received MAT and sober supports

Carla was able to transition to a sober living program with her children and currently works fulltime

Ally's Story

Ally, age 32, was referred to the Engagement Center for a 15-year Opiate Use Disorder

She was able to transition to supportive housing and gain employment

Ally continues to consult with her peer coach and hopes to go back to school someday
