1. Are there elements of the BSI non-mandated services that you believe are mandated? If so, provide the specific Ohio Revised Code (ORC) citation, Code of Federal Regulation (CFR) and/or relevant case law information. Please be especially diligent if there is a specific service or staffing level prescribed by law.

No.

2. Who are the recipients of the service or activity for the non-mandated service? How many recipients? Please note any internal customers, other county departments, jurisdictions, businesses, etc. If the service is geographic specific (i.e., a satellite probation office), please identify the neighborhood, township or municipality.

The program serves rape and abuse victims, through contacts with crisis lines, hospitals, court advocates, crisis intervention centers, and support groups

3. Are there county revenues associated with the non-mandated services? If so, please provide the methodology for any lost revenues. Please consider state or federal reimbursements, grants, fees, etc. Please note if the service or activity is included in the county's indirect cost plan.
