RE: River City Facilities Governing Board

Commissioners have the responsibility to appoint members to several Boards and Commissions providing oversight to many important organizations and initiatives in Hamilton County. One of these Boards, the **River City Facilities Governing Board**, has an opening for one (1) board member.

I invite you to consider applying to be a member of this board. Establishing authority, HB162, states that the Facilities Governing Boards have the responsibility for submitting a proposal for a Community Based Correctional Facility and/or governing the facility created by the proposal.

The composition of this board shall consist of at least six members with a Judicial Advisory Board responsible for appointing 2/3 of the members and the Board of County Commissioners being responsible for appointing 1/3 of the member appointments. **At this time there is an opening for one (1) board member, term to expire October 31, 2019.**

I encourage all interested residents to apply to serve on this important Board. To apply, download the application here:
