2006	64,047,553	-0.07%
2007	66,380,859	3.64%
Average annual increase, '71-'07		6.09%
10 yr avg. 1998 -2007		2.68%
5 yr avg 2003 - 2007		1.87%

*** broadened base effective 8/03 with collections by the county in 11/03;
 phone tax converted to sales tax effective 1/04, collections by county 4/04;
 one time catch up due to returns filed by electronic payers not being filed timely received 6/04.

**adjusted for auto leasing payments incorrectly credited to Hamilton County.

* A lump sum payment of \$800,000 for prior years taxes was received in 1994. This caused a greater swing in the 1994 and 1995 percentage increases than would normally have occurred. Without the lump sum payment, the respective increases would have been 6.6% and 3.7%

Original 1/2% was effective June 1, 1970.
