Land Bank Feedback Form

Please complete the form below and provide feedback on the ways that a Hamilton County Land Bank can specifically help your community.

1. In order to begin a dialogue on how the Land Bank might best be utilized in the municipalities around the County, please list the **top five projects** in your community that might benefit from Land Bank activities. These projects may be vacant, unsold commercial properties, a single foreclosed or blight property or block of properties, or other long-standing 'eyesore' properties that are blighted and in need of demolition.
