## Key Activities/paperwork for : Help Me Grow

The following documents and activities would support a seamless transition from Help Me Grow to preschool.

- Families need to register at the Board of Education offices to establish their residency
- Parent will need proof of residency which may include:
  - -Deed of house, county tax bill or copy of lease signed by landlord
  - -Current utility bill with name and address
- Birth certificate
- Immunization Record
- Custody Papers (if applicable) Court Documents if the child is a foster child. Address of biological parent(s) for residency purposes for foster children.
  - IFSP
  - Eligibility from Help Me Grow
  - Child will need a medical evaluation if an MFE is to be done
  - Any reports/evaluations from private therapists and medical personnel

The district requests:

- The district would like for the service coordinators to review with parents about the eligibility of the child as they move from Part C to Part B services and if the child will possibly still qualify for services or not.
- The district would like to receive updates on the status of children who live in their district and are receiving services from Help Me Grow. It will be helpful to know if they have moved or no longer qualify so that the district can determine upcoming numbers.
