

Child Abuse Prevention Group Recommendations

Group Facilitator: Moira Weir, Director,
Hamilton County Jobs and Family Services

1. Our capacity and the capacity of communities to respond to increased stress on families.
2. Ability of “new families” entering services to be able to access resources for themselves
 - A. Environmental scan to build upon existing resources and community networks
 - Promote 211 and Benefit Banks-local entities
 - Seek agreement from agencies across all systems to screen parents and families basic needs and link to concrete resources
 - Enhance/build opportunities for the creation of parent networks, parental resiliency and breaking down isolation
 - B. Support and monitor current efforts
 - Infant morality efforts for education prenatally /shaken baby
 - Strengthening Families
 - C. Legislative
 - Alternative support response initiative
 - Coordination of multiple systems investigation
