Membership Benefits

The Hamilton County Regional Planning Commission

(RPC) is an alliance of local planning commissions and governments that seeks to address mutual goals related to physical, economic, and social issues among the 49 communities within Hamilton County. RPC helps ensure that community trends are anticipated, challenges are addressed, priorities are focused, and our collective future is planned and achieved strategically.

Membership

Community membership in the Hamilton County Regional Planning Commission is on an annual basis. Payment establishes joint membership in both the Hamilton County Regional Planning Commission and the Planning Partnership, and enables professional staff services for member jurisdictions.

Local Government Services

RPC staff offers community planning and implementation assistance to local government members at reduced rates. Our services are designed to strengthen communities and build implementation capacity while minimizing costs and improving service quality. We provide professional assistance in the following areas:

Community Building

- Land use and comprehensive plans
- Strategic and action plans
- Community visioning
- Community workshops and charrettes
- Community asset mapping and asset development
- Committee support and capacity building
- Group facilitation and consensus building
- Situational assessments
- Community organizing and revitalization

Technical Support

- GIS mapping and analysis
- Graphics and media production
- Data mining and analysis
- Database development
- Census analysis and reports
- Research and reports
- Grant applications
- Website support
- Planning commissioner training and certification

Development Services and Administration

- Street address assignment and administration
- Subdivision review and administration
- Zoning certificate administration
- Zoning code updates
- Zoning amendment and site plan review
- Zoning field inspection and code enforcement

Current Initiatives

Joint funding by local governments enables the Regional Planning Commission to assist communities in Hamilton County in comprehensively planning and collaboratively achieving community and regional goals. More specifically, local government funding enables RPC staff support to local governments for a variety of initiatives, including:

- First Suburbs Consortium
- Local Alliance for Nature and Development
- The Certified Planning Commissioners' Program
- Planning Partnership
- Community COMPASS
- Hamilton County Data Center
- Community Action Network Directory
- Hamilton County Landbank
- Community Contacts
- Hamilton County Climate Initiative
