**Definitions: Applicable to Health Expenses and Health Insurance**

"Cash Medical." At this time, the State of Ohio recognizes that parents spend an average of \$388.70 per year, per child on uncovered health care expenses. Therefore, the term "cash medical" is defined as \$388.70 per child, per year (as amended by statute), and the responsibility for paying this expense is allocated between the parents by income shares, as identified on Line 23 of the child support worksheet.

“Cash medical support” means a dollar amount ordered to be paid in a child support order towards “ordinary medical expenses” incurred on behalf of the children identified in the parties’ child support order during a calendar year. The child support recipient’s share (Obligee) remains in his/her household, while the child support payor’s share (Obligor) is paid to the Obligee in conjunction with the child support amount ordered, **\*\* unless the child is receiving government provided healthcare at no cost to either parent.**

“Ordinary medical expenses” include copayments, deductibles and uninsured/unreimbursed medical-related costs for the children named in the child support order.

“Extraordinary medical expenses” include any uninsured/unreimbursed medical-related costs incurred for a child named in the child support order that exceed the total cash medical support amount, including the monthly amount that is Obligee’s share, as identified on line 28 of the child support worksheet.

“Reasonable cost for health insurance” means that a plan of health insurance for the child(ren) identified in the child support order is accessible to the parent ordered to provide health insurance coverage at a cost of 5% or less of his/her gross annual income (identified as the “Health Insurance Maximum” on line 8 of the child support worksheet), unless: (a) one or both parties expressly agree to provide such health insurance for the children at a cost exceeding 5% of his/her gross income; or (b) the Court finds that it is in the best interest of the parties’ child(ren) for one or both parents to provide such insurance at a cost exceeding 5% of his/her gross income as such insurance coverage will not impose an undue financial burden on the parent(s).

**Provision of Health Insurance for the Child(ren)**

**Select the appropriate choice:**

- a.  One or both parents has/have private, accessible health insurance available for the child(ren) subject to the child support order at a reasonable cost (of 5% or less of his/her gross income); or
  
- b.  Despite exceeding a reasonable cost of 5% of his/her gross income(s), \_\_\_\_\_ [INSERT name(s) of parents agreeing to provide such insurance] have/has agreed that \_\_\_\_\_ [INSERT name(s) of parents agreeing to provide such insurance] shall obtain or maintain private health insurance for the children; or

c.  Despite exceeding reasonable cost of 5% of his/her gross income(s), the Court has determined that it is in the best interest of the child(ren) and that the cost of providing private health insurance coverage will not impose an undue financial burden on the parent(s); therefore, \_\_\_\_\_ [INSERT name(s) of parents being ordered to provide such insurance] shall obtain or maintain private health insurance for the children.

d.  -AND- include the following for choice a, b or c: Pursuant to R.C. 3119.30, it is hereby ordered that no later than thirty (30) days after this issuance of this Order, \_\_\_\_\_ [INSERT name of party ordered or agreeing to maintain a plan of health insurance] shall maintain private health insurance for the child(ren) named in the child support order so long as this parent continues to have private health insurance coverage available at a reasonable price for the child(ren). A Qualified Medical Child Support Order shall issue.

-AND- (regardless whether you select paragraph 1 or 2 above) This Order shall remain in effect for each child identified in the parties' child support order until each such child reaches the age of eighteen (18) and no longer attends an accredited high school on a full-time basis unless otherwise ordered. Except in cases in which a child support order requires the duty of support to continue for any period after the child reaches age nineteen, the order shall not remain in effect after the child reaches age nineteen.

#### **Payment of Uninsured/Unreimbursed Extraordinary Medical Expenses**

Both parents are liable to all health care providers for their child(ren)'s uncovered extraordinary health care expenses as defined herein according to the formula set forth below.

The Child Support Oblige \_\_\_\_\_ [INSERT name of Oblige] is responsible for paying the first \$388.70 per year, per child for the child(ren)'s uninsured/unreimbursed health care expenses [This amount will be modified if there is a deviation in cash medical support, to correspond with the amount of the deviation as identified on lines 27 and 28 of the child support worksheet. A 100% deviation will result in the parents paying all uncovered health expenses proportionally, as all such expenses would be "extraordinary." Oblige should only be responsible for paying a certain amount, per year, per child, if that amount is paid as cash medical support (amount will include both parties' shares)].

The remaining costs of any and all extraordinary medical expenses, including but not limited to, uninsured/unreimbursed medical, dental, orthodontic, optical, prescription, psychological, counseling or psychiatric expenses, including deductibles and/or co-payments under the health insurance plan

for the child(ren), shall be paid \_\_\_\_\_% by the Child Support Obligor, \_\_\_\_\_  
[INSERT name of Obligor] and \_\_\_\_\_% by the Child Support Obligea,  
\_\_\_\_\_ [INSERT name of Obligea].

Each parent must submit to the other parent copies of all medical bills and receipts for payment as soon as each parent is in receipt of the bill/receipt. Each parent must submit copies of all bills (including expenses for which the submitting parent is responsible) so the other parent is aware of what expenses have been incurred and what expenses have been paid. Each parent should have a complete set of all the medical bills and receipts. Documentation of all such expenses shall be provided to the other parent and reconciliation of the amounts owed for reimbursement shall occur on a quarterly basis (the last day of January, April, July, and November each year).

If one parent has paid the bill in full, the other parent must pay his/her share to the parent who paid the bill within 30 days after he/she receives the receipts. If the health care provider has not been paid in full, each parent must make arrangements with the health care provider to pay his/her share within 30 days of the date that he/she receives the bill. If the bill is later reduced for any reason (insurance payment, insurance company modification, etc.), the parent who first learns of the reduction must notify the other parent immediately. Each parent's portion of the original bill will be reduced accordingly, based on the percentage of each parent's responsibility for the original bill. Neither parent may use the child(ren) to deliver medical bills, proof of payment, or reimbursement to the other parent.

Pursuant to Ohio Revised Code Sect. 3119.30, the parent(s) ordered to provide private health insurance for the child(ren) shall, not later than thirty (30) days after the issuance of the order herein, supply the other parent with information regarding the benefits, limitations and exclusions of the health insurance coverage, copies of any insurance forms necessary to receive reimbursement, payment, or other benefits under the health insurance coverage and a copy of any necessary insurance cards.
