

SPECIAL FLOOD HAZARD DEVELOPMENT “Certification of Completion”

Hamilton County Planning & Development
 Storm Water Floodplain Management Division
 138 E. Court Street Room 800
 Cincinnati, Ohio 45202
 (513) 946-4760

Building Permit No: _____ **Date of Certification:** _____

Flood Permit No: _____ **Owner:** _____

Permit Address: _____

Permit Description: _____

Upon completion of construction or development authorized by the above-referenced flood permit no. and any mitigation required by the permit, a professional engineer or architect must sign this “Certification of Completion” accompanied with an as-built plan/site plan or the FEMA elevation certificate with associated pictures verifying the completion of the development has met the requirements set forth in the approved plans and return this form and plan to the Storm Water Division Floodplain Management Division.

The permitted development is subject to compliance inspection by the Hamilton County Department of Planning and Development. If the property owner fails to comply with the limits of this permit, the permit will be subject to suspension, modification, or revocation.

I hereby certify that the work authorized by the above-referenced permit has been completed in accordance with the terms and conditions of the said permit and required mitigation was completed in accordance with the permit conditions.
